Benefit

Sweet Soiree: The Museum of Discovery and Science (401 SW Second St., Fort Lauderdale) is the setting for this fundraiser, subtitled "The Science of Chocolate," which combines cocktails, champagnes, hors d'oeuvres and "interactive" (wink-wink), chocolate-inspired science demonstrations during a 6-8 p.m. Tuesday gathering presented by Friends of MODS and Club 211. Proceeds from a raffle and silent auction go to the museum and 2-1-1 Broward, a free help line for a variety of issues, including housing, health care, food, senior services, child care and legal aid. \$40.
