FORT LAUDERDALE Club 21-1 and the Museum of Discovery and Science (Friends of MODS) hosted The Sweet Sienne: The Science of Chocolate last month, where guests were treated to sweets and educated on the confection while the museum’s president and CEO, Kim Cavendish, spoke about the mission of Friends to help support youth internship programs. Also in May, United Way Broward County’s Women’s Leadership Council hosted its 3rd Annual Magnolia Luncheon to recognize women of dignity, strength and perseverance.
