James Donnelly, chairman, Broward Workshop

Last week I attended Kip Hunter's 211 event at the Signature Grand. 211 Broward is the live, 24-hour comprehensive helpline, providing all people with crisis, health and human services support and connecting them to resources in our community. It may be the least recognized service to the public in Broward County. The stories we heard of how 211 served our citizens was unbelievable. Please tell everyone you know and if you are an employer, tell your employees. If you are in need in Broward County, call 211.
