## 2-1-1 Broward Hosts Connecting Event at Carlos & Pepe's

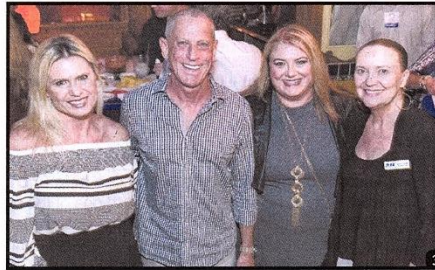

2-1-1 Broward hosted an engaging CLUB 211 Connecting Event at Carlos & Pepe's Restaurant on Sept. 19 while enjoying the restaurant's famous margaritas and Mexican appetizers. Event ambassadors were Jessica Lerner and Cori McNamee.

During the evening, the event ambassadors spoke about the impactful services that 2-1-1 Broward provides for the community through its 24/7 comprehensive helpline for individuals seeking crisis intervention assistance, emotional support, information and referrals to health and human services in Broward County. Club 211's title sponsors are Brown & Brown Insurance and Memorial Healthcare System.

Club 211 was created to offer networking opportunities to local professionals and individuals, while supporting the work of 2-1-1 Broward. Money raised through the \$211 annual membership fee is used to help support the general operations of the 2-1-1 Broward program.

Every call to the 2-1-1 Broward hotline is answered by a trained, degreed counselor who listens to the caller's concerns, identifies their needs and connects them with agencies and programs that can help them.
