Non-Profit Awards honor Broward's non-profit organizations and their leaders

On Feb. 23, Broward's non-profit organizations and their leaders will be recognized for their hard work, dedication and achievement in a glamorous awards ceremony complete with red carpet and searchlights.

The 8th Annual Community Care Plan Non-Profit Awards, presented by Signature Grand and hosted by 2-1-1 Broward, celebrate the highest levels of achievement, innovation and quality in the non-profit sector. Honorees include local non-profit organizations and their staff members and volunteers who, while they make a difference in people's lives every day, often work behind the scenes and receive few thanks.

"The 8th Annual Community Care Plan Non-Profit Awards are an important opportunity to recognize and celebrate the positive impact our community's non-profits have had on the wellbeing of those in need here in Broward County," says Sheila Smith, president and CEO of 2-1-1 Broward. "2-1-1 Broward is a hub for connecting people in need with agencies that can help them, so this is a great event for guests to attend and connect with other like-minded individuals who share a passion for helping those in need."

Awards will be given in 10 categories. The winners and finalists in each category will receive a monetary award for each of their non-profit organizations. Those who were nominated but not selected as a finalist are eligible to win a \$1,000 grant for their organization through the Publix Community Choice Award.
